Welcome back for the beginning of term 3. It has been a very cold and wet start to the term but the children have settled in well and are showing great enthusiasm towards their learning. We are preparing for a busy term that will end with the school musical in the last week of term. The children are already in full swing with practice.

Welcome
I would like to officially welcome Luke Haustorfer to South St. Luke has been appointed as our new Assistant Principal. He comes to us highly recommended for his initiative in seeking ways to engage children with challenging behaviours, building positive relationships with students, staff and the community and an ability to be flexible, reflective and proactive in a range of settings.

Please make Luke welcome and introduce yourself to him.

STAR LAB
Next Wednesday and Thursday we are going to have the Star Lab come to visit our school. The star lab is an inflatable planetarium. The children will spend an hour in the Star Lab. This will be a springboard for Mrs. Commerford in Science as she is focusing on the area of Space this term.

I would like to thank Mrs. Mandy Wiggins (Canteen Co-ordinator) for donating the funds from the canteen profits so that all children are able to attend the Star Lab.

Crossing on Fowler Street
Just a reminder about the crossing on Fowler Street just down from South St. Last term we had a number of children who didn’t use the crossing and put their lives in danger.

Could parents please talk to their children about crossing roads safely? If there is a school crossing or pedestrian crossing close by, it is important to use it.

This is for the safety of students and parents. The children will be reminded again at assembly.

Grade 3/4 Coonawarra Camp

On November 16th-18th the grade 3/4s will be going to Coonawarra farm resort for an exciting, action packed couple of days. The farm is set on beautiful bushland acreage with many team building and fun activities. This is a wonderful opportunity for students to build relationships with other students, participate in confidence building activities and engage in team activities.

The cost of the camp is $270. A payment of $55 was due on 24th June for those paying by instalments. Could parents please ensure that the money is paid through the cash book in the classroom and not directly to the office, so that the classroom teachers can keep track of payments.

Community News

The school is working towards our Sustainable farm yard program, with this in mind they are upgrading current areas and are requesting help from those interested; this help can be in the form of feed for the animals, aid towards a water tank, and automatic watering and feeding tools.

Winter is upon us! Please keep bringing your warm jumpers/scarves/gloves/hats - the mornings and afternoons are chilly!

LUNCH TIME COMPETITIVE SPORTS
This term we are holding a Lunchtime Competitive Sports Championship for the 5/6s. The sport the students are competing in is Netball. The four house colours play off against each other with the House Captains organising the teams, referees and scorers. The students referee and score all of the matches themselves which helps further develop skills and understanding in the sport of Netball.

Tuesday lunchtime saw the first round of our 5/6 Competitive Lunchtime Netball Championships.
This week we had Blue House taking on Green House.
In a fantastic opening match Green House took home the win with some sharp shooting from Georgia and fantastic attacking ball movement from Makiah.
Blue House put up a great fight through the impressive interceptions of Darcy and a brilliant performance from Paige in both defence and offence.

Final Score: Green House 7 defeated Blue House 2.
Round 2 next Tuesday Lunchtime @ The Gym-Yellow House versus Red House.
