Values Awards

Tomorrow at assembly we are going to be introducing Value awards. Each fortnight we are going to be choosing one of our Values (Positivity, Accountability, Respect, Teamwork) and teachers will be presenting an award for children who display the Value.

Over the next fortnight we are going to be focusing on Positivity.

The award statements focus on a child’s positive attitude to their learning or in their actions.

Comments on the awards can be:

- You have shown a Growth Mindset when you make a mistake or you are faced with challenges.
- You have a very positive attitude to your learning.
- You have shown you encourage someone to keep trying even when they think they can’t do something.

ENROLMENTS FOR 2017

We are beginning to plan for 2017. If you know you are moving away from the area and no longer attending South St Primary School could you please advise the office. This will assist in planning for 2017 classes and structures.

Rubella (German Measles)

Yesterday we received notification of a case of German Measles. We wish to notify parents in case there are any pregnant mothers. If you are pregnant you may need to seek advice from your doctor or Nurse on call. The student is not attending school until they are have received the all clear from the doctor.

SUNSMART POLICY

Now that we are in Term 4, it is school policy that all children wear their navy bucket or wide brim hats.

If your child does not have a hat, they are available from the office for $7.
**SWIMMING LESSONS**

Just a reminder that swimming lessons started this week. The grades that will be attending for this week are: F/0 A, F/0 B, F/0 C and 1/2 A. Next week the remainder of the 1/2 grades (B, C, D and E) will attend.

**Congratulations Shannae Benson!**

Shannae represented the Latrobe Division at the Regional Primary School Athletics Carnival this past Tuesday at Joe Carmody Athletics Track in Newborough. Shannae competed in the 9/10 year old High Jump in wet and windy conditions. She jumped well against students from as far as Lakes Entrance and San Remo. Shannae finished the competition tied for 2nd place with a completed jump of 1.13m. Sadly after a countdown she just missed out on a medal placing 4th.

We are very proud of her efforts, only missing out on The State Athletics Championships by the smallest of margins: 1cm.

Congratulations on representing South Street Primary School, Western Valley District and Latrobe Division with such persistence. We would like to acknowledge your admirable effort and look forward to your topping this performance next year. Mr. R

**N.A.I.D.O.C. Week Congratulations**

I recently received this letter from Koorie Kids:

“Koorie Kids in association with Department of Education and state counterparts were instrumental in the overwhelming success of the 2016 N.A.I.D.O.C Week school Initiative Competitions which saw over 113,000 entries from schools who participated in a variety of competitions is delighted to announce this year’s “2016 NAIDOC Week Winners”.

“Congratulations, I am pleased to confirm that a student at your school was successful in winning a category in this year’s competitions. There were only 20 issued in each state”.

Congratulations to Trisni Peiris who recently left our school due to her family moving. I have spoken to the Principal at Trisni’s school and this award will be presented to her there at their school assembly. South Street Primary School would like to acknowledge this award also and congratulate Trisni on receiving the NAIDOC Medal of Excellence.

-Lynette Blunt (Koorie Co-Ordinator).

**SCHOLASTIC BOOKFAIR**

The Scholastic Bookfair will be held on the 1st and 2nd of December, 2016. Watch this space for more information on this annual extravaganza!!!!!!

---

**Grade 3/4 Coonawarra Camp**

On November 16th-18th the grade 3/4s will be going to Coonawarra farm resort for an exciting, action packed couple of days. The farm is set on beautiful bushland acreage with many team building and fun activities. This is a wonderful opportunity for students to build relationships with other students, participate in building activities and engage in team activities.

The cost of the camp is $270. Could parents please ensure that the money is paid through the cash book in the classroom and not directly to the office, so that the classroom teachers can keep track of payments.
