## Principal’s Prattle

### School Council

Our next School Council Meeting is Next Tuesday, 16th June at 7:00pm.

### Camps, Sports and Excursions Fund (CSEF)

The Victorian government has allocated funds for children to be able to access Camps, Sports and Excursions. To be eligible for the fund, parents and legal guardians must be holders of a current Health Care Card, Veteran Affairs Gold Card, Pensioners Concession Card and Temporary Foster Parent.

Thank you to the parents who have handed their forms into the office. Could parents please make sure that any applications are in before the end of next week as applications close.

This money can be used for swimming which all children will be involved in during term 4. If you are going to be using these funds for swimming please write it at the bottom of the swimming form and return it to your child’s classroom teacher.

### Crossing on Fowler Street

I have been in contact with the crossing supervisor on Fowler Street just down from South St. He is very concerned that we have a number of children who are not using the crossing and are crossing the road at the corner. There have been some children crossing the road dangerously.

Could parents please talk to their children about crossing roads safely. If there is a school crossing or pedestrian crossing close by, it is important to use them. This is for the safety of students and parents. The children will be informed at assembly.

Grade 3/4 Coonawarra Camp

On November 16th-18th the grade 3/4s will be going to Coonawarra farm resort for an exciting, action packed couple of days. The farm is set on beautiful bushland acreage with many team building and fun activities. This is a wonderful opportunity for students to build relationships with other students, participate in confidence building activities and engage in team activities.

The cost of the camp is $270. Next payment of $55 is due on 24th June for those paying by instalments. Could parents please ensure that the money is paid through the cash book in the classroom and not directly to the office, so that the classroom teachers can keep track of payments.

2nd hand school furniture for a small Donation

The school has a number of used furniture that is no longer of any use to us. If you are interested in having a look and maybe purchasing something that may be of use to you, then please come to the school and ask for Mrs. Wolfenden. The furniture is located in the outdoor classroom. Some items include: desks, chairs and tables. All proceeds collected will go back into the purchase of seedlings for the garden. Thankyou, Mrs. Wolfenden.
