<b>Be a Learner</b>	We show the teacher that we are listening	We learn the rules of a game and follow them	We use inside voices	We use inside voices	We use the toilet before school, at recess and lunchtime and after school	We return to the classroom straight away	We show that we are listening
	We show pride in our learning	We ask questions when we don't understand		We take all necessary belongings to the next room	We use the toilet properly		When we stand up we are silent
	We look after our belongings	We are honest about our behaviour and learn from our choices			If we have to go to the toilet during learning time, we return to the classroom straight away		We keep our hands and feet to ourselves
	We help other students to learn	We listen to each other			We wash our hands after using the toilet		
	We try our best, are persistent and ask for help when we need it						
	We use inside voices						
	We raise our hand to participate						
	We ask questions to help us deepen our learning						
	We focus on our own learning						
	We have on-topic conversations about our learning						
We are honest about our behaviour and we learn from our choices.
