CONGRATULATIONS AND FAREWELL MRS CONNOLLY

It is with great pleasure and also great sadness to announce that Mrs Connolly has been appointed as Principal of Hazelwood North Primary School. Gillian has been a very valuable member of the South Street school community for the past 5 years as a classroom teacher and as Assistant Principal. We would like to officially thank Gillian for all her hard work at South St and wish her all the best.

Hopefully we can have a community farewell for Gillian next term.

Last day of Term 2

We finish a very different term 2 at 1:15 tomorrow. It has been a very interesting, different and full on term for everyone.

Term 3 begins
Monday 13th July

MESSAGE FROM MRS CONNOLLY

Dear Parents and Carers,

I would like to take this opportunity to let you know I have been appointed as Principal of Hazelwood North Primary School.

Although I am very excited to take up this role, I am also saddened about leaving South Street Primary.

I have thoroughly enjoyed my time there, firstly as a classroom teacher and then providing support to students, staff and families as Assistant Principal.

South Street holds a special place in my heart and I am going to miss you all.

Take Care, Gillian

CHAPLAIN SIMON FINK

Simon will be finishing his 2 day a week position as Chaplain with us this term.

Simon will come in once a week for a couple of hours to do some mentoring work with some children.

We wish to thank Simon for all his work supporting the wellbeing of our students.

We are currently in the process of looking for another Chaplain.

Farewell

At South Street Primary School we grow people who:

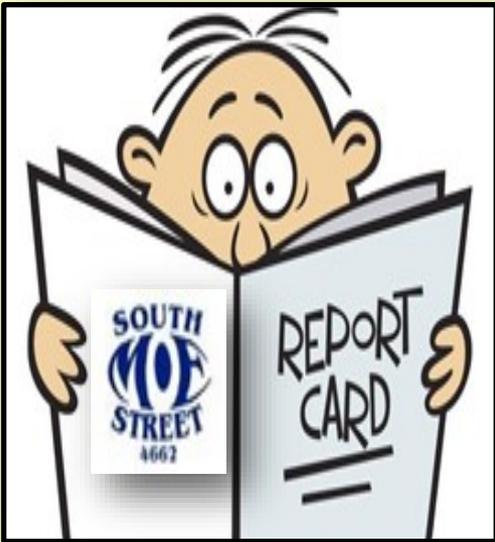

Are creative, curious and independent learners. Are resilient and problem solve when faced with challenges. Respect and care about themselves, each other and the world in which we live.

We acknowledge the Gunaikurnai people as traditional owners of this land and pay our respects to elders both past and present.

News & Updates

Reports

Semester 1 reports will be sent home today.

Reports will look different to previous years due to remote learning. There will be no progression dot points on these reports. The reports will detail a personal, Maths, Reading and Writing comment of your child's achievement.

We will be holding Parent teacher interviews in Term 3. These will be Thursday 3rd and Friday 4th September.

This will allow parents and teachers to discuss the student's growth.

Quantum Excursion Digitech

Important Information for Grade 3/4 Parents

Our excursion to Quantum will be going ahead next term. There have been a couple of changes due to restrictions at the centre. The centre is only accepting one school per day so we can take two grades at time rather than just the one. This has changed the day of the excursion for some grades.

The dates are:

Monday 20th July - 3/4 C and 3/4 D

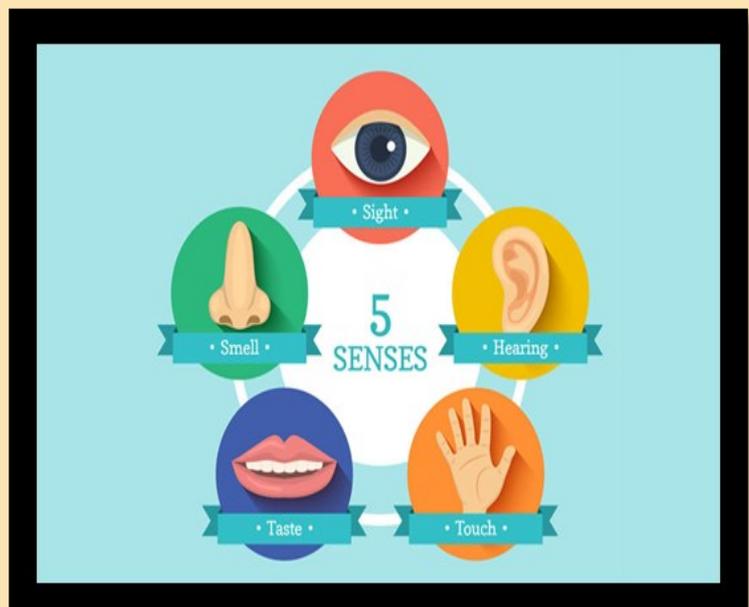

Monday 27th July – 3/4 A and 3/4 B

A note with further information will come home tomorrow.

If your child has not returned the permission note could you, please ensure this is returned tomorrow the last day of score.

If you have returned your permission note you don't have to sign another one.

Kathryn Murphy, Digitech Specialist

CORONAVIRUS VISITOR RESTRICTIONS

At present we have a number of restrictions not only at school but in our community.

At present these restriction will be in place for the being of term 3.

If there are any changes over the holidays an email will be sent to all families and information will be posted on Facebook.

CAMPS AND EXCURSIONS

The Government announced that school camps can go ahead. Both of our 3/4 and 5/6 expression of interest forms have been sent out for camp.

If you have not received a form please contact the office.

If restrictions are put back in place on school camps and the children are not able to go, refunds will be provided.

TRIPLE P – POSITIVE PARENTING PROGRAM

Families can now access free expert parenting advice through the online Triple P – Positive Parenting Program.

The program is relevant to families with children between 2 and 16 years and provides strategies to deal with specific challenges, such as building children's resilience and dealing with conflict.

There are courses specifically for parents of toddlers to tweens, and for parents of pre-teens to teens.

It gives parents strategies to:

- raise happy, confident kids
- manage misbehaviour so everyone in the family enjoys life more
- set rules and routines that everyone respects and follows
- encourage positive behaviour
- take care of themselves as a parent
- feel confident they're doing the right thing.

Sign up to the Triple P program via their website

ENROLMENTS OPEN FOR 2021

It's that time of year when enrolments are rapidly coming in for students who will begin school next year.

It is vital to complete an enrolment form as soon as possible so we can begin planning for 2021.

If you know of any other families that are thinking of coming to South St, please let them know that enrolments are open and they can call to book an appointment for a tour of the school and collect an enrolment pack.
