### Principal's News....

#### PB4L Fun Day

Despite the weather, our PB4L Fun Day was an absolute success. We are very fortunate to have sheltered areas so that our 'outdoor' activities can continue on such wild and wintry days. The gym housed most of our inflatables and our BBQ chefs and helpers remained dry under cover while cooking well over 300 snags! Another huge THANK YOU to the staff and parent helpers who made this day possible.

#### Attendance Line

The school phones ring on a frequent basis for a variety of reasons. Our office staff do their best to answer in a timely manner, and to reduce the number of calls, we have an 'Attendance Line'. When calling the school to report your child's absence, please follow the prompt and press '1' to report an absence. This would be a huge help - thank you.

#### Excursions

Excursions are planned with curriculum and student wellbeing in mind. Some require permission slips and sometimes extra payments of fees. Please keep a look out for these excursion notices and make sure they are returned as a priority. If we do not receive permission forms and fees by the correct date, we have no option other than to keep the student at school for the day, which means they are missing out on valuable experiences with their classmates.

#### Education Week - dress up as a community member on Friday 28th

Next week is Education Week and the theme this year is 'Connections', and though we are limited by Covid19 restrictions, the Student Engagement Team has decided to do a little something on Friday 28th May. Students are invited to dress up as workers from our community who help us (doctors, council workers, dentists, teachers, veterinarians, police, nurses, firemen etc.) or they may dress in casual clothes (undercover policemen/women!). We will hold a parade for students and teachers only at 9.00am in the gym and small prizes will be given for the best dressed. We are still trying to get a visit from someone in the essential services for next week, but at this stage we are not having any luck. If any of our parents know of anyone who might suit, please ask them to contact the school.

Zooper doopers will also be for sale outside the canteen at lunchtime for \$1.  
Thank you for your support.

#### Start and finish times

Just a reminder that students need to arrive between 8.30 and 8.40am to be ready for learning at bell-time which is at 8.45am sharp! Final bell goes at 3.15pm.  
**Every minute counts.**

At South Street Primary School we grow people who:

Are creative, curious and independent learners. Are resilient and problem solve when faced with challenges. Respect and care about themselves, each other and the world in which we live.

We acknowledge the Gunai Kurnai people as traditional owners of this land and pay our respects to elders both past and present.

# 2022 Prep Information Night

## 2022 ENROLMENTS OPEN NOW

We will be having an open evening on Thursday 3<sup>rd</sup> June 6:00pm – 7:00pm in the Foundation building. Please let any families that are thinking of coming to South St to come along or book a tour of our great school.

## 2022 Prep Information Night

Is your child going to school in 2022?

Looking for a school?

Come along to an information session and a tour of South St Primary School.

When: Thursday 3<sup>rd</sup> June 6 – 7pm.

Where: In the Foundation building.

Our Positive Behaviours 4 Learning (PB4L)

**BE SAFE, BE RESPECTFUL, BE A LEARNER.**

If you are unable to make it on this day, please feel free to make an appointment on 51271512.

**Now open**

# Featuring I/2C

## OUR PB4L FUN DAY REPORT!

This week I/2C has been writing recounts of the PB4L Fun Day that we had last week. Here is some of the fantastic work we have seen.

### Maddie - Grade 2:

On Friday, our school had a PB4L fun day. First, we went to the play pit and went on a minion jumping castle. We went down to the PE room. The castles were huge. There was a army one, sugar rush and a race. Next, we came out and got our lunch orders, I got a sausage, lolly bag and a orange juice. Finally, we went home and it was the best day ever.

### Nate - Grade 2:

At school we were having a PB4L fun day which meant we were all going to have fun. After all the things that we needed to do we went to the minion bouncing castle. It was really fun. Then we went to the Disney castle. I got in trouble because we didn't get out but we got out eventually. We went to the gym, there were gigantic bouncing castles, three of them. One was Candy Rush and an army one and a ultimate extreme one that was a challenge.

### Blake - Grade 1:

First we went to the minion jumping castle. Then we walked down to the gym. We took off our shoes and we took off our jumpers and our jackets. Next we went on the jumping castles. One was an army castle.

### James - Grade 1:

First we went to the minion jumping castle and we had fun. Then we went to another jumping castle and we had fun again. Next we went to the gym and I went with Tye to a lot of the jumping castles. Finally we went back to the classroom and we had lunch and I had fun.

# Short 'n' Sweet

## Book Club

The catalogue for Issue 4 of Book Club was sent home last week. Orders are due by 4th June - you can either order online, or drop your catalogue order form in at the office with the correct money. Either way, the books will be delivered here and sent home with students. Buying books via Book Club is a great way to get some up-to-date books for a reasonable price while supporting your school.

## SLAP CHEEK

Rash on face  
and extremities

We have had a case of slap cheek and a case of chicken pox reported to the school. Please check out the symptoms of these ailments and if you think your child is displaying them, please seek medical advice and keep them home from school.

Thank you for your co-operation and dedication to keeping these nasty germs out of our classrooms.

## CHICKEN POX

Fluid filled blisters, rash &  
high fever.

## **IT'S NOT OK TO BE AWAY!**

Going to school every day is the single most important part of your child's education. Students learn new things at school every day. Attending and participating in school will help your child develop:

- important skills and knowledge to help them learn
- social and emotional skills such as good communication, resilience and team work

There is no safe number of days for missing school.

Each day a student misses puts them behind.

If your child is sick, however, please keep them at home so that once they've made a full recovery they can come back ready to catch up.

## Uniform - Flash Jackets

Just a reminder to our families that Flash Jackets with our school logo are available for purchase for \$40 each.

They can be paid for and ordered at the school office and will take about 2 weeks to come in. Great for that extra layer of protection against the wind and the cold.

## Headlice facts

- Head lice have been around for many thousands of years.
- Anyone can get head lice and given the chance head lice move from head to head without discrimination.
- Head lice are small, wingless, blood sucking insects. Their colour varies from whitish-brown to reddish-brown.
- Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl. People get head lice from direct hair-to-hair contact with another person who has headlice.

Nits are the eggs of the lice and look a lot like dandruff, and stick to the base of the hair.

Lice are the bugs which hatch and look like this:

Latrobe City Council provides advice and education on the control and prevention of head lice.

Contact Council's Health Services Team for further information on 1300 367 700.

# *In the yard*

One of our generous staff members very kindly brings in some gorgeous animals from home for our students to enjoy. It's a great way for them to learn respect for our fellow earthlings.....and it's soooo much fun. These two even have their own coats. How cute! Here they are having some morning milk. Awwwwwww! Next week we will do a piece on our garden. Stay tuned!
