5th Aug 2021

### Principal's News....

#### MANAGING UNWELL CHILDREN

We are living in very different times when it comes to cold and flu symptoms. Currently, there are outbreaks of COVID-19 in schools in Victoria so it is important that we work together to be vigilant in keeping our school safe.

Under Government advice from the Department of Education:

*'The most important action school communities can take to reduce the risk of transmission of COVID-19, is to ensure that any unwell staff and students remain at home and get tested, even with the mildest of symptoms.'*

If your child is displaying any flu-like symptoms, we will be calling you to come and collect them from school. Students up to Grade 2 may have prolonged post-viral symptoms such as a runny nose or cough and may return to school following a negative COVID-19 test even if they are not completely free of symptoms, however they will need a medical certificate from their GP to confirm they are otherwise well or have recovered from their acute illness.

Students with a negative COVID-19 test whose symptoms have completely resolved do not need a medical certificate to return to the school.

If we all work together we can do our best to stay safe, healthy and hopefully avoid future lockdowns.

Dear Parents/Guardians of F/I A and C,

Friday the 6<sup>th</sup> of August, we will be having our 100 Days of Learning class party. Students can wear an elderly person's costume or can wear casual clothes for the day.

We are excited to celebrate the learning of our students over the past year.

On Friday, we will supply lunch it will be hot chips.

Please pack snacks, a water bottle, and some fruit for your child to bring on this day.

If your child has any dietary requirements, please let us know.

Thankyou - F/I Team.

At South Street Primary School we grow people who:

Are creative, curious and independent learners. Are resilient and problem solve when faced with challenges. Respect and care about themselves, each other and the world in which we live.

We acknowledge the Gunai Kurnai people as traditional owners of this land and pay our respects to elders both past and present.

# Head Lice notice

**Head lice have been detected at school. Please be vigilant and check your child's hair.**

Please note that our policy states:

Any child with active lice will be sent home and cannot return until they have been treated and that there are no lice. Students will be checked prior to re-entry to school.

The easiest and most effective way to find them is to follow these steps:

**Step 1** - Comb any type of hair treatment/conditioner on to dry, brushed (detangled) hair. This stuns the lice and makes it difficult for them to grip the hair or crawl around.

**Step 2** - Now comb sections of the hair with a fine tooth, head lice comb

**Step 3** - Wipe the treatment/conditioner from the comb onto a paper towel or tissue.

**Step 4** - Look on the tissue and on the comb for lice and eggs.

**Step 5** - Repeat the combing for every part of the head at least four or five times

**It is important that after treating for live lice that you follow up within a couple of days to continue to check for eggs.**

**Due to advice from the Chief Medical Officer and Department of Education we are unable to conduct school tours during term 3.**

**To discuss an enrolment or for further information please call 5127 1512**

# A week in the life of 5/6D

By Brady and Jesse

## Writing

As part of our writing work on information reports we have been learning about Apollo 11 and how Buzz Aldrin, Neil Armstrong and Michael Collins experienced the first moon landing. Sadly, Michael Collins was unlucky because he didn't experience the moon landing.

## Reading

In reading, we have learnt about topic and theme and the difference between genre and topic. We have also categorized our class library into topics.

## Math

During math, we have done subtraction of decimal numbers using the algorithm with regrouping. Also, a little group has been challenging ourselves with algebra.

## Inquiry

In inquiry, we've been learning about different types of government, democracy and democratic values.

One of the democratic values that we have been learning about is that everyone of the age of 18 votes and that the person with the most votes is elected as the leader.

# Coming up

The 3/4 children are getting very excited for their camp to Allambee in December.

The camp cost is \$165.00 and a \$50.00 deposit is due by the 13th August.  
Permission forms will need to be returned by this date.  
The final balance of \$115.00 is due on 19th of November.

Camp fund/CSEF can be used to make these payments.  
Please contact the office to check your balance.

Camp is a fantastic experience for students where they learn many life skills of team work, resilience, moving out of your comfort zone and have fun with their friends.

## Grade 3/4 Camp Update

### Grand Opening in Moe

**Date:** Thursday 26<sup>th</sup> August

**Time:** 6pm

**Location:** 21 Lloyd Street, Moe @ Studio Health and Fitness

**All ages welcomes**

**Contact:**

**Jeff:** 0475 522 350

**Dale:** 0419 339 631

Or find us on Facebook @ I.F.S Martial Arts

### Parenting Anxious Kids

#### A Parents Building Solutions single session

Do you want to:

- Know how to respond when your child gets overwhelmed?
- Help your child to regulate their emotions?
- Support your child with their challenges?

**DATES:** Monday 30th August 2021

**TIME:** 10:30am to 12:30pm

**WHERE:** Online via Zoom

**COST:** FREE. Bookings essential.

Come along to this session to learn strategies, share stories and take some time out for you!

For bookings & enquiries contact:  
Parentzone Gippsland on 03 5135 9555 or email  
parentzone.gippsland@anglicarevic.org.au

# News....

## Healthy habits

Healthy eating is essential for your child's health, growth and development.

Healthy eating & physical activity in childhood means they will be less likely to develop a chronic disease like heart disease, type 2 diabetes, obesity and some cancers. To stay healthy and maintain a healthy weight, children need to be physically active and eat the right amount of nutrients to balance the energy they use.

### Mini quiche

					
Prep 10 mins	Cooking 20 mins	Cost 2.23/ serve	Makes 6	1 serves = 2 quiche	1 Veg per serve

**Ingredients:** 1 sheet puff pastry, 1 tomato, diced, 1 small zucchini, grated, 6 eggs, whisked, 1 cup spinach, ½ cup grated cheese

#### Method

1. Preheat oven to 210°C (190°C fan forced). Spray 6 holes of a muffin tray with cooking spray.
2. Allow pastry sheets to thaw, then cut into 6 even squares and place individually into pre-greased muffin trays.
3. Combine tomatoes, spinach and zucchini with egg mixture.
4. Pour small amount of mixture into each tray compartment, leaving a small amount of room for expansion.
5. Sprinkle a small amount of cheese over each quiche and place in oven for 15-20 mins or until golden brown.

#### Handy Hints

You can add any vegetables to this recipe! Some suggestions include mushrooms, capsicum or onion. They can be frozen and put into lunch boxes at the start of the day, and will thaw by lunch-time.

## Recipe of the week

### Tip of the week

Make healthy foods fun, for example by cutting fruit or sandwiches into in-

## Gippsland Cross - Country

We recently had some determined students represent South Street Primary in different interschool running events at Gippsland Regional Cross Country at Lardner Park.

Our students showed great resilience and effort to push themselves to the limit. Mr Fitz was very pleased with feedback from several schools about the beautiful behaviours that our students displayed.

Well done on your great efforts.

### Attendance Line

Thank you to those families who are using our Attendance Line.

The school phones ring on a frequent basis for a variety of reasons.

Our office staff do their best to answer in a timely manner, and to reduce the number of calls, we have an 'Attendance Line'.

When calling the school to report your child's absence, please follow the prompt and press '1' to report an absence. This is making a huge difference - thank you!

# Shoe Box Christmas Gifts

Over the last few months you will have read in Snippets about the Shoe Box gifts run by operation Christmas Child.

A group of 5/6 students have taken this project on board and will be supplying special gifts in Shoe Box packs for Christmas to children in war torn, remote and disaster affected parts of the world.

By engaging in this project our students are learning to think of others and share.

A real Christmas gift is one that says ' You are cared about'.

When they realise that the gifts are for them they are delighted and their faces show their excitement.

For some of the children, this will be the first Christmas gift that they ever get.

Those who receive the gifts realise we care for them in a tangible way. It is easy to lose sight of what Christmas is about.

Shoe Boxes will be made up for boys & girls across all age groups. Each box contains six specific items as gifts. Something to love/something to wear/something for personal hygiene/something for school/ something special.

To raise money for this project the school has planned an 'in house' raffle **only for students**.

No raffle tickets will be coming home.

The students can purchase \$1.00 tickets in their classroom. As many as they wish.

The tickets will be available on :

**Monday 16<sup>th</sup> August to Friday 20<sup>th</sup> August.**

**There are many prizes for students to win.**

**The winning tickets will be drawn at School Assembly on Friday 20<sup>th</sup> August.**

Money raised from the raffle will go entirely towards purchasing items to fill the boxes and towards postage.

The Grade 5/6 project team will be shopping locally to buy the items.

We appreciate it if you are able support this event. Or if you know a business who would like to sponsor with us please let us know.

## **CANTEEN AND BREAKFAST CLUB**

Our Breakfast Club and Canteen will operate as normal next week with COVID-safe measures in place.

## **ROLLS MARKED 8.45AM SHARP!**

The rolls are marked as the bell rings. If your child cannot make it to class by 8.45am sharp, they will need to sign in as a latecomer at the office, otherwise they will be marked as absent.
