Volume 22 Issue 34

17th November 2022

News from our Principal....

I wanted to begin by thanking our camping staff for their work and dedication over these past four days as they have supported the Grade 5/6 students enjoy everything the area of Beechworth offers. It has been great to hear daily reports of the students enjoying themselves and enacting our values of Being Safe, Being Respectful and Being a Learner. I'm sure we will welcome back some happy yet exhausted campers on Friday afternoon. Stay tuned to Facebook and Sentral for updates on when the bus is expected to arrive.

Transition

As we near the end of one school year, our school-wide transition programs become an important priority across our school. This year, our leadership team has reflected and revised our transition process to ensure that we continually improve the transition experience of all students as they move from one grade level to another, from kindergarten to primary school and from primary school to secondary school.

These processes are supported by our teaching and educational support staff, who are dedicated to ensuring these opportunities are successful for all students. Our staff prepare detailed information about student wellbeing, engagement and achievement and document this using class placement software, which along with student preferences of friends and peers they would like to be with and the expert knowledge of our staff, supports the development of classes.

At South Street Primary School we grow people who:

Are creative, curious and independent learners. Are resilient and problem solve when faced with challenges. Respect and care about themselves, each other and the world in which we live.

We acknowledge the Gunai Kurnai people as traditional owners of this land and pay our respects to elders both past and present.

News from our Principal.....cont

Transition

Continued...

Our internal transition program consists of the following:

- 1st Transition Session – on the afternoon of Tuesday, the 29th of November, where teachers will take grades for two 30-minute sessions to establish connections, strengthen relationships and observe students interacting with each other.

Team and Leadership meetings occur where feedback on class dynamics, student friendships, and gender balance are considered with revisions made.

- 2nd Transition Session – on the afternoon of Tuesday, the 6th of December, where teachers will take revised class grades for another two 30-minute sessions to establish connections, strengthen relationships and observe students interacting with each other.

Team and Leadership meetings occur to finalise grade placements.

- Statewide Transition Day – Tuesday the 13th of December – students will spend time with their 2023 teacher and classmates, in their 2023 classroom.

CLASS PLACEMENT

2023

A reminder that our Class Placement policy explains to our school community how we manage requests for class placements for the following school year, including requests for placement with friends and with certain teachers. In line with our Class Placement Policy, we are unable to accommodate or consider any class placement requests. You can read more about this by viewing our Class Placement Policy, available on our website.

GRADE

STRUCTURE

Finally I anticipate that we will be able to announce our grade structures and teacher placements in Snippets on Thursday, the **8th of December** and inform students about their 2023 teacher before the **Statewide Transition Day**.

Take care
Brendan Dawson
Principal

News from our Assistant Principal

Last Friday our staff continued our work on creating **Positive Play** at South Street Primary School. We focused our attention to Proactive and Active Play and the benefits of two 30 minute 'Play times'.

Supporting student social skill development and providing alternative opportunities for play during recess and lunch are pivotal to setting all students up to be successful at school.

Proactive and Active Play provide opportunities for our students to develop a range of pro-social skills, conflict resolution and teamwork. We worked to refine our focus of Proactive and Active Play which included how we can resource these opportunities to accommodate for all students. This included feedback on our current processes and looking into the future to see where we can continue to improve.

As we continue to work in this space, we will develop strategies to support ALL students and accommodate for the vast range of interests our students have. With the change to our lunch time, we can have more adults interacting in the playground with students, this means more games, more sports, and more activities that our students can access.

An important part to our continued school improvement is linking our Positive Behaviour 4 Learning (PB4L), Behaviour Management and Playground process and supports so that we can create consistency across our school. At South Street we will continue to promote our school values, we will all Be Safe, Be Respectful and Be a Learner.

Keep an eye out for updates on our Proactive play, Active play, and Playground improvements in Term 4 and into 2023.

Nic Quenault
Assistant Principal

BACK to SCHOOL

dates for 23

Fri 27th January **No students** at school, Staff return.

Mon 30th January **No students** at school, Curriculum day.

Tue 31st January **All students** back to school.

2023 **No** School on for Prep Students:

February

Friday 3rd

*** Thank you to all families in our school community for your support.

"It's not OK to be away"
"It's not great to be late"

From the School Nurse

Apologies for the following session being rescheduled. It will now take place
on Monday 21st November.

3/4 female students will be participating in a brief follow up session from last terms puberty/hygiene session.

This session will be delivered by Katelyn Somerville, one of our school nurses from Latrobe Community Health Service.

During this session, students will be refreshed on the following topics and will be encouraged to ask any questions they may have:

- Changes to the female anatomy during puberty.
- Menstruation- why and when this may occur and products that are available
 - Body image and self esteem.
- Supportive contacts when going through puberty.

Katelyn Somerville RN, CNS
Community Nurse Outreach (In Schools)
Moe South Street Primary School (Mondays)

ATTENTION NDIS PARTICIPANTS

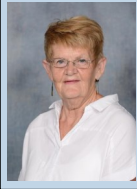

Does your child have a NDIS package and are you currently on a waitlist for services?

If so, we would love to hear from you!

We are currently in the process of sourcing therapists to work at the school in 2023, to deliver services to students who are currently NDIS participants on waitlists for Speech therapy, Occupational therapy and Counselling.

If this is something you would be interested in, please contact Belinda Johnson

Chaplaincy Chat

It is hard to believe that Term 4 is here with lots of things in store for us all.
From the Chaplaincy perspective there are a few

CARE BAG PROJECT

The Students involved in the Care Bag project have almost completed their tasks and will be making arrangements to hand over the Bags to the organizations who require them.

This will be done as part of a Friday School Assembly on 25th November

Christmas is not too far away !!!!!

A reminder to parents of Grade 1-6 that Miss Bischorn and I are rehearsing our Christmas songs at Lunch time on a Tuesday in preparation **FOR OUR PERFORMANCE** on the main stage at Apex Park on Saturday December 17th. We are part of the Community Carols event commencing at 7.00pm.

Miss B is ordering tee shirts and head gear for each student. So please encourage your child to come along to practice So that we know we have enough shirts and head pieces. We will not have enough of either if students just turn up on the last practice day. We don't want anyone to be disappointed and miss out on taking part in the fun songs.

We would love a big group to support this event. Colourful posters and banners will be displayed next week at Apex Park, at school and around town.

Its going to be a FREE FUN FILLED FAMILY DAY.
I will be sending out to parents a note with the soundcheck time and where to bring your child on the day. Once all the performers have been contacted.

Just keep practicing so that we can put on a very enjoyable performance for our audience.

Sincere regards
Val Hemmings, School Chaplain
