Working together and developing strong partnerships between families, students, and staff is central to your child's academic success and improved wellbeing.

At South Street Primary School, we recognise the crucial role you play in developing, nurturing and teaching your child/ren.

It was amazing to see such positive attendance at our Games on the Lawn afternoon, and I would again like to invite you to make the most of the next opportunity, our Parent Teacher Student Meetings.

These meetings allow you to engage with your child, their learning, their teacher and our school.

Our Student Parent Teacher Meetings are happening on
Wed, 5th April from 3:30pm – 6:00pm
and
Thurs, 6th April from 8:30am – 1:30pm

Students are expected to attend for their meeting time only to be part of the conversations.

There will be no classes running.

Bookings will go 'live' on Compass at 9:00am this Friday, allowing families the opportunity to book a time that suits.

Families are asked to book a 10-minute timeslot for each child with each classroom teacher, with students expected to attend to be part of the discussions.

Families are also encouraged to book a 'family timeslot' to discuss their child/ren's learning with our specialist teachers. This can be booked under the eldest child's name.

To make a booking, simply log in to Compass, click on and Compass will walk you through the rest of the steps.

It would be great to have all our families engage in this opportunity. After all, schools and students are more successful when we work together for your child's success.

I hope to see you over the next few weeks and meet more of our families

Take Care,
Brendan Dawson, acting Principal

At South Street Primary School we grow people who:

Are creative, curious and independent learners. Are resilient and problem solve when faced with challenges. Respect and care about themselves, each other and the world in which we live.

We acknowledge the Gunaikurnai people as traditional owners of this land and pay our respects to elders both past and present.
