## MOE SOUTH STREET PRIMARY

## News from our Principal

### EXCITING UPDATES ON OUR REVISED STUDENT DRESS CODE

Our School Council, led by our policy sub-Committee, has been hard at work, and after careful consultation and collaboration, I am pleased to announce the approval and endorsement of our revised Student Dress Code.

The primary purpose of having all students in the correct uniform is to foster a sense of community and belonging, developing students' pride in being part of the South Street Primary School team.

To make things simpler for both parents and students, the revised dress code comes with clear and easily understandable guidelines. We believe this will contribute to a smoother morning routine and help students and families understand our compulsory uniform items.

These compulsory uniform items are:

- ♦ Navy or White shirt with twin stripes and embroidered school logo.
- ♦ Navy shorts/skorts.
- ♦ Navy windcheater with twin stripes and embroidered school logo.
- ♦ Navy spray jacket with twin stripes and embroidered school logo.
- ♦ Navy skivvy to be worn under school polo. (Plain navy- blue without decorations or brand names)
- ♦ Navy track pants or pants. (Plain navy blue pants without decorations or brand names)
- ♦ School Dress – Gingham – Blue and White check.
- ♦ Broad-brimmed or bucket hat.
- ♦ Navy blue beanie with school logo. (Winter)
- ♦ Fully enclosed shoes that are appropriate for active participation in sporting activities (no thongs, opened toed sandals, steel-capped boots, or gum boots are permitted)
- ♦ Grade 6 only – Polo top and Jacket with student first names on the back.

**At South Street Primary School we grow people who:**

Are creative, curious and independent learners. Are resilient and problem solve when faced with challenges. Respect and care about themselves, each other and the world in which we live.

We acknowledge the Gunaikurnai people as traditional owners of this land and pay our respects to elders both past and present.

# News from our Principal ... continued

As you will notice, one of the main changes is to ensure that navy (not black) is the colour of trackpants or shorts / skirts and the inclusion of ensuring our embroidered school logo with twin stripes on shirts, windcheaters and jackets.

Other inclusions in the revised policy include providing specific details about appropriate jewellery and cosmetics and having set days each month where students can come in out of uniform as an acknowledgment for completing their token charts. The full policy has been attached to this week's Snippets.

Our teachers and staff will also take the time to discuss the changes with students, ensuring everyone is on the same page. If you have any questions or concerns, please do not hesitate to reach out and speak with me.

We also understand the need to support families and students and will communicate with you regularly about our uniform **before it is fully implemented in Term 1, 2024.**

Our School Council have also carefully considered how we can support families by providing a uniform exchange program, creating the ability to purchase uniform items online and reducing the costs of uniform items for an initial period.

Stay tuned as we release more information about this during Term 4.

Thank you for your partnership in shaping an environment for our students where we all feel included and part of the fantastic team at South Street.

Check out our range of school uniform on the next page.

Take Care  
Brendan Dawson, Principal

# News from Mr Ireland

## Morning Routine Positive Primer of the Week

With Morning Routines now up and running across the school, Mr Ireland thought it would be a great opportunity to share a 'Positive Primer' of the week. As mentioned previously, Positive Primers are like scuffing the surface of the student's brain so that learning sticks. Positive Primers involve a small movement, oral, thinking or creative task designed to encourage the flow of positive emotions before learning commences. Students might like to try this out on the family at home.

**If you could have just one superpower, what would it be and why?**

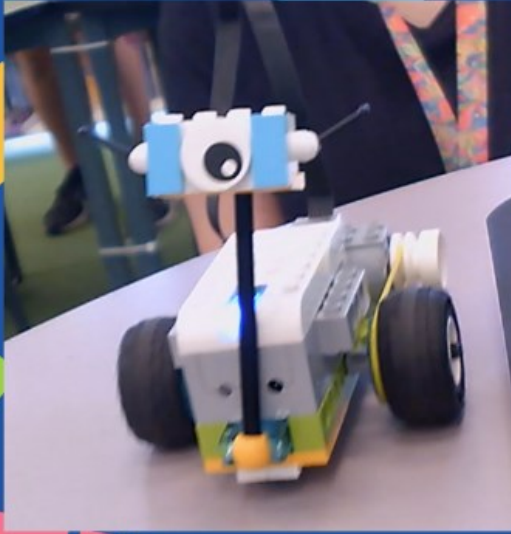

Snack Attack is still searching for some **more volunteers** to help keep Snack Attack open and running. If you have spare time on a Friday we would love your help!!.

# School Activities

# School News

**Multimedia, 3/4 students have been enjoying making Lego robots and programming them to perform a task, utilising problem-solving skills and finding digital solutions to achieve a goal.**

## STUDENT SCHOLARSHIPS

The Department of Education administers a number of scholarships that are available to eligible students who are enrolled in Grade 4 to Year 12 in 2023.

Applicants for these scholarships will be evaluated on their:

- participation in school activities
- community involvement
- academic achievement.

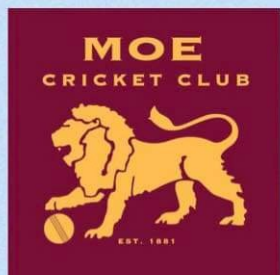

Scholarships are either one-off payments or cover the duration of the student's course or annual study.

Many of these scholarships have specific eligibility criteria so please refer to individual applications for more information. Applications are open and close on Thursday 1 February 2024.

For more information and a list of available scholarships, refer to the 2024 Student scholarships page:
