MOE SOUTH STREET PRIMARY

News from our Principal

This Friday marks World Teachers' Day – an opportunity to celebrate, acknowledge and thank our teachers for their important work and role in developing our young people.

Teaching is a remarkable profession and continues to play such a pivotal role in our community.

We also know that a teacher's reach extends so much more than the classroom and in partnership with our parents and carers, teachers motivate and encourage students to achieve their personal and academic best.

As teachers are thanked across the state tomorrow, I encourage you and your child to make their teacher/s feel special. Perhaps it is a simple thank-you note, a kind word through Compass Connect or a compliment as they are greeted in the morning. You and your child's recognition, support and respect for the incredible work they do daily would be greatly appreciated by our team of dedicated staff.

We will be celebrating our teachers at assembly in the MELC gym, and I would encourage any parent who can, to come and join us from 2:15pm. We will be modelling a Morning Routine and look forward to celebrating our teaching staff on this special day.

DAY FOR DANIEL FRIDAY 27TH OCTOBER

Keeping kids safe!

SSPS ARE INVITED TO WEAR RED TO
EDUCATE AND RAISE AWARENESS
FOR CHILD SAFETY

Don't forget to wear red as we come together to recognise the **Day for Daniel** – Australia's largest child safety and awareness day held in memory of Daniel Morcombe.

Tomorrow is certainly an important day, and we hope you can contribute in some way, shape or form.

Take Care
Brendan Dawson, Principal

At South Street Primary School we grow people who:

Are creative, curious and independent learners. Are resilient and problem solve when faced with challenges. Respect and care about themselves, each other and the world in which we live.

We acknowledge the Gunaikurnai people as traditional owners of this land and pay our respects to elders both past and present.

Happy World Teacher's Day

Grade 2 sleep over

Our Grade 2 sleepover was a big hit on Friday night. With some indoor games, outside fun with the school to ourselves, followed by chips, icy-poles and a movie.

The students didn't want to go home.

Thanks to Mrs White, Mr W, Mr Q, Brooke and Mr Dawson for making it such a great event.

Dates to Remember

Assembly every Friday 2.15pm
in the Gym. All welcome!

News from Mr Ireland

Morning Routine Positive Primer of the Week

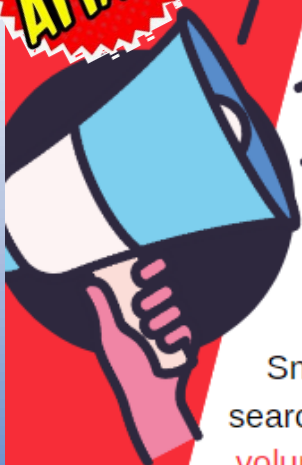

Alphabet Game

Positive Primers are like scuffing the surface of the student's brain so that learning sticks.

Positive Primers involve a small movement, oral, thinking or creative task designed to encourage the flow of positive emotions before learning commences.

School Student Broadband Internet

SUPPORT YOUR CHILD'S EDUCATION WITH 12 MONTHS FREE INTERNET AT HOME

The Australian Government has established the School Student Broadband Initiative to provide free home internet for one year for up to 30,000 eligible families with school-aged students.

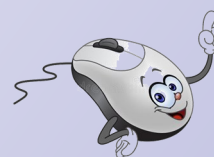

The initiative aims to boost education opportunities. NBN Co is leading the rollout of this initiative across the country.

Children who can access online learning at home as part of their education are more likely to engage in classroom activities. Access to fast internet at home can also support children to build their digital skills, learn how to safely use the internet and take part in a world that is more reliant on digital technology.

Eligibility

To be eligible, families must:

- ♦ **HAVE** a child living at home enrolled in an Australian school in 2023.
- ♦ **NOT** have an active National Broadband Network internet service at their home* (having a mobile internet service does not affect eligibility).
- ♦ **LIVE** in a premises that can access the National Broadband Network through a standard connection. NBN Co will check this for you after you apply.
- ♦ **REGISTER** interest with your school and complete a consent form to be assessed for eligibility.

**If an address has been disconnected within 14 days prior to an eligibility check – the address will be classified as ineligible. There may be cases where exceptions can be made, please contact the School Student Broadband Initiative team at SSBI@education.vic.gov.au to discuss further.*

If you are eligible, your home internet service will be provided at no cost for one year with a participating internet provider over the National Broadband Network. Each internet provider has its own step-by-step process to get you connected, which may involve you providing identification.

Once you sign up, the internet provider will help you set up your connection. The initiative does not include devices such as a computer or tablet. Other members of your household can use the internet service provided through this initiative.

The one-year period will start from the day your service is activated with your chosen provider. At the end of the one-year period, you will not be placed onto a paid service by your internet provider without your consent. The Australian Government is considering options beyond the one-year free period.

How to apply

- ♦ Ask your school for a copy of the School Student Broadband Initiative consent form.
- ♦ Complete the consent form and return to the school.
- ♦ NBN Co will use student address details on the consent form to confirm eligibility.
- ♦ If you are eligible, NBN Co will issue a voucher for your family to use to sign up with a participating internet provider. This will be provided to you by your school.

Please note: NBN Co will review the home address for eligibility. No personal information other than your main home address will be shared with NBN Co. Please see the consent form for details about how personal information will be used.

For more information about the **School Student Broadband Initiative**, visit <https://www.infrastructure.gov.au>
