Rotary Award 2022

The Rotary Club of Moe is keen to celebrate the achievements of the young people in our community and encourage them to continue positively with their life journey. Every year the Rotary Club of Moe presents a 'Pride of Workmanship Award' to a student from each of the schools in our region. The recipient is nominated by the school and should be an individual who is persistent and task-driven, enthusiastic and participates well. On Monday 4 December, Mr Dawson and Ms Larmour were delighted to attend the award presentations and join Tehya's parents, to celebrate Tehya Bird being the 2023 South Street recipient. This award was re-presented by Roger Taylor from Rotary, Chair of the Vocational Service Committee, at the grade six graduation on Friday night.
