Moe South Street Primary

News from our Principal

Last night, we concluded our Term 1 Parent / Guardian Teacher Student Meetings. Thanks to all our families for your support and participation as we work together to achieve personal growth and academic success for your child/ren.

I would encourage all families to continue to make the most of these opportunities. One such opportunity exists when we return from the Easter break.

We will host a Parent Information Evening on Wednesday, the 17th of April, at 5:45 pm.

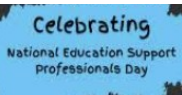

Hosted by Daniel Vella from Real Schools, the session will focus on the power of Restorative Practices, which underpins a significant part of our wellbeing practices at South Street. Daniel will join our staff team during the day, visiting, observing, and participating in classes before hosting the parent session in the evening. If you are attending, please let our office know for catering purposes (tapas supplied by Twenty/20).

I hope that each family has a safe and enjoyable Easter holiday. The Easter holiday break is a great opportunity to spend time with friends and family, recharging the batteries ready for Term 2. School will resume for students on **Monday, April 15th**.

Take Care and all the best over the holiday period.
Brendan Dawson, Principal

Latrobe Valley All Ability Sports

'All-ability' sports are about fun and participation for **EVERYONE!** The local All-ability groups are parent-run and driven, so cater directly to the needs of kids with additional needs in the local area. During the sessions a variety of games and activities are played to learn and develop new skills and are non-competitive. Activities are modified so that everyone can 'have a go!' Participants can also benefit socially by making new friends and feeling part of a team.

We currently run three sporting programs locally (during school terms), Term 1 – Tennis at Pax Hill Tennis Club, Term 2 & 3 – AFL Footy at West End Junior Football Club and Term 4 – Cricket at Traralgon West Cricket Club.

Follow Your (Red) Nose!

Presented by Kayla Hamill in partnership with GPAC Education and Community Program

How would you like to join the circus, just for a day?
Follow Your (Red) Nose! introduces kids to the joyful, confidence-building, and inspiring world of red-nose clowning.

Wednesday 3 April | 10:00am | GPAC Town Hall Theatre

Led by professional Clown Doctor and funny specialist - Kayla Hamill, this specially designed workshop is for children of all abilities, social skills, introverts and extroverts. Clowning is a serious business. Well, serious and loads of fun too. Each participant receives their own red nose, and through a series of carefully planned and inclusive games and activities, they will learn how to delight an audience, and each other, with generosity, adaptability, and kindness.

The workshop concludes with a short presentation for family and friends.

Fractured Fairytales Drama Workshop

Presented by Em Chandler in partnership with GPAC Education and Community Program

A fun and whimsical story-telling workshop, led by acclaimed children's entertainer Em Chandler, designed to help children develop their imagination.

Tuesday 9 April | 1:00pm | GPAC Town Hall Theatre

Come fracture, explore, and retell some classic fairy tales through kindness, wonder, and play! Let's use our imaginations, blankets, chairs, and all sorts of everyday objects to make troll bridges and little pig's houses! We can be sneaky Goldilocks and Big Bad Wolves with a colander hat or blanket cape. And what happens when we start to change the stories? Are there more than three billy goats gruff? What if they were superheros? An alien invasion, or pig fairy godmothers? Let's find out together.

See the GPAC website for booking details or phone
